

# Renting

Theft coverage.  
Insurance included with the  
technological renting.

## What does the policy cover?

This insurance protects the device against theft for the entire renting period.

## Territorial scope

- Worldwide coverage.

## What does the policy not cover? (main exclusions)

The insurance **does not cover** the following cases:

- Events that occur before delivery of the device.
- Damage caused intentionally, by malice or bad faith of the user.
- Internal malfunctions, software errors, or viruses.
- Failures due to changes in system settings.
- Devices whose serial number has been erased or is illegible.
- Damage resulting from incorrect assembly or use.
- Cosmetic damage or light impacts that do not affect the functionality of the asset.
- External accessories such as batteries, cases, chargers, or cables.
- Indirect losses or lack of parts for repair.
- Damage caused by war, nuclear radiation, or fraud.
- Theft from inside vehicles if the device was in plain sight.
- Theft from vehicles if the doors were not properly locked.

Coverage for  
the entire  
renting

This insurance "without excess" is a service included in the renting contract. The terms of this service are specified in the renting contract. Renting offered by CaixaBank, acting through CaixaBank Equipment Finance, S.A., a wholly-owned company with registered office at Avenida de Manoteras, no. 20, Edificio Paris (28050 Madrid), VAT No. A-58662081, registered in the Madrid Mercantile Registry, volume 36579, folio 26, sheet M 656663. For inquiries regarding the coverage of your renting contract, please contact our team at [infoseguros@CaixaBankPC.com](mailto:infoseguros@CaixaBankPC.com). NRI: 9821-2026/05541.
